SCHEDULE TO THE RESOLUTION OF THE EXTRAORDINARY GENERAL MEETING
OPINION OF THE MANAGEMENT BOARD OF GLOBE TRADE CENTRE SPÓŁKA
AKCYJNA WITH ITS REGISTERED SEAT IN WARSAW.

dated 13 December 2013

regarding the arguments in favour of excluding the pre-emptive rights of the shareholders in their entirety in relation to the proposed increase in the Company's share capital through the issuance of Series J Shares and the procedure for the establishment of the issue price for the Series J Shares

Pursuant to Article 433 § 2 of the Commercial Companies Code dated 15 September 2000 (the “CCC”), the management board of Globe Trade Centre S.A., with its registered office in Warsaw (the “**Company**”), approved this opinion on 13 December 2013 in relation to the resolution proposed by the extraordinary general meeting of the Company regarding the increase of the Company's share capital through the issuance of ordinary series J bearer shares in the Company (the “**Series J Shares**”), the exclusion of all of the pre-emptive rights of the existing shareholders to all of the Series J Shares, the amendment of the Company's statute, the application for the admission and introduction of the Series J Shares and/or rights to Series J Shares to trading on the regulated market operated by the Warsaw Stock Exchange and the dematerialisation of the series J shares and/or rights to Series J Shares.

1. The exclusion of the pre-emptive rights with respect to the Series J Shares

The purpose of the increase of the Company's share capital through the issuance of the Series J Shares is to enable the Company to achieve its planned strategic objectives and permit the further development of the Company's operations. The proceeds from the issuance of the Series J Shares shall be used to reduce the Company's financial indebtedness. In the opinion of the Company's management board, in view of the reasons stated below, the exclusion of the pre-emptive rights of the existing shareholders of the Company to all of the Series J Shares in their entirety is justified in the interests of the Company as the issuance of shares by private subscription is the most rapid and convenient way of raising capital.

If the pre-emptive rights were to be retained, the Company would need to prepare a prospectus and seek the approval of such prospectus from the Polish Financial Supervision Authority (*Komisja Nadzoru Finansowego*). The rights issue would then need to be conducted in accordance with the requirements set out in Article 7.1 of the Act on Public Offering, Conditions Governing the Introduction of Financial Instruments to Organized Trading, and Public Companies dated 29 July 2005, which would include giving sufficient time to the shareholders to exercise their pre-emptive rights. The preparation and issue of a prospectus, and the mandated term for conducting a rights issue, would force the Company to incur significant additional costs as well as restrict the management board's flexibility in respect of the timing of the offering.

The increase of the Company's share capital through the issuance of the Series J Shares with the exclusion of the pre-emptive rights of the Company's existing shareholders addressed by private subscription to investors selected by the Company's management board (“**Eligible Investors**”) will enable the Company to move swiftly to take advantage of market windows of opportunity and conclude the share capital increase in a short period of time, thus strengthening the Company's equity at the earliest opportunity.

The exclusion of the pre-emptive rights of the Company's existing shareholders with the possibility of conducting the issue of the Series J Shares solely through an offering directed at Eligible Investors will enable the Company to increase its share capital and issue the Series J Shares without the requirement to prepare and seek the approval by the Polish Financial Supervisory Authority of an issue prospectus.

The exclusion of the pre-emptive rights of the Company's existing shareholders will potentially allow the Company to broaden its shareholder base through an offering by private subscription of the Series J Shares to new and existing investors in the territory of Poland as well as internationally.

In light of the above, the Company's management board declares that the issuance of the Series J Shares subject to the exclusion of the pre-emptive rights of the existing shareholders of the Company in their entirety is in the Company's interest. Consequently, the Company's management board recommends the issuance of the Series J Shares subject to the exclusion of the pre-emptive rights of the existing shareholders of the Company in their entirety.

The draft resolution on the increase of the share capital and the issue of Series J Shares provide for the Company's shareholders who meet the criteria for participation in the Series J Shares offer stipulated in the resolution and who are entitled to participate in the Extraordinary General Meeting at which the resolution on the share capital increase through the issuance of the Series J Shares will be adopted (the "**Priority Date**") priority in taking up such Series J Shares. In accordance with the proposed provisions, each 10 (ten) Company shares held by a shareholder as at the Priority Date will give such shareholder the right to take up 1 (one) Series J Share, rounded on the terms specified in the resolution.

The opportunity to exercise the priority to take up the Series J Shares will depend on the fulfillment of the criteria referred to in the resolution on the increase of the share capital and the issue of Series J Shares.

2. The procedure for the establishment of the issue price for the Series J Shares

The issue price for the Series J Shares will be established by the Company's management board first and foremost on the basis of the listing price of the Company's shares on the regulated market maintained by the Warsaw Stock Exchange, subject to the outcome of the bookbuilding process among the Eligible Investors, both Polish and foreign, as well as subject to all of the circumstances that impact the establishment of the issue price, including the economic conditions on the capital markets at the time of the bookbuilding process for the Series J Shares, the financial standing of the Company at the time of the private issuance, current events and the Company's growth prospects, and on the basis of the recommendations of the financial institutions involved in the offering of the Series J Shares.

The issue price for Series J Shares will be established by the Company's management board with a view of maximising the proceeds from the issue of the Series J Shares; the issue price of the Series J Shares shall not be lower than the closing price of the shares in the Company on the regulated market operated by the Warsaw Stock Exchange (*Giełda Papierów Wartościowych w Warszawie S.A.*) on the session day preceding the date of the determination of the issue price for the Series J Shares, decreased by a discount (if any), such discount to be approved by the supervisory board of the Company.

In light of the volatility of the capital markets and the time separating the date of the adoption of the resolution by the extraordinary general meeting and the date of the establishment of the issue price for the Series J Shares, the authorisation of the Company's management board in this respect is justified and is in the Company's interest.

3. Conclusions

In light of the arguments presented above, the management board of the Company recommends that the extraordinary general meeting adopt Resolution No. 3.

The management board of the Company:

JUSTIFICATION

The purpose of adopting the proposed resolution of the extraordinary general meeting regarding the increase of the Company's share capital through the issuance of the Series J Shares, the exclusion of all the pre-emptive rights of the existing shareholders to all of the Series J shares, the amendment of the Company's statute, the application for the admission and introduction of the Series J shares and/or

rights to Series J shares to trading on the regulated market operated by the Warsaw Stock Exchange, and the dematerialisation of Series J shares and/or rights to Series J shares is to enable the Company to achieve its planned strategic objectives and to permit the further development of the Company's operations.

RESOLUTION NO. 4
of the Extraordinary General Meeting of
GLOBE TRADE CENTRE SPÓŁKA AKCYJNA, with its registered office in Warsaw
dated 9 January 2014

regarding the granting of remuneration to members of the supervisory board

§ 1

On the basis of Art. 392 § 1 of the Commercial Companies Code, the extraordinary general meeting of the Company awards to Tomasz Mazurczak, a member of the Company's supervisory board, monthly remuneration in the amount of PLN 8,000 for the performance of his duties as of the appointment date of 19 September 2013.

§ 2

This resolution shall come into force at the moment of its adoption.

JUSTIFICATION

As Tomasz Mazurczak has been acting as an independent member of the Supervisory Board since 19 September 2013 and has not received any remuneration for the performance of his duties from the date of his appointment, the Company's Management Board resolved that it was in the best interest of the Company for the General Meeting to adopt a resolution regarding the establishment and payment of remuneration for the performance of the duties of a Supervisory Board Member as of the date of the appointment thereof.
